Subject: Results of the General Mock Session of ATHEXGroup's Business Continuity Plan (BCP)

Dear Partners,

We would like to thank you for your response and your participation at the **6th Annual Business Continuity Plan General Mock Session of ATHEXGroup**, that was held on **Saturday 19/10/2019**, significant part of which was the establishment of connection to the ATHEXGroup's Alternative Access Point.

The Trading Members, the Clearing Members and the DSS Operators participated in the Mock Session, tested their connections to the Alternative Access Point and followed a set of scenarios.

Specifically, for the individual exchanges, we report the following:

ATHEX – ATHEXCLEAR – ATHEXCSD

For the trading procedures, 29 out of the 47 ATHEX Members were connected successfully at the ATHEX trading system.

The participation at the post-trading procedures was also significant with the participation of 26 DSS Operators out of 48 and 24 ATHEXClear Members out of 37.

CYPRUS STOCK EXCHANGE

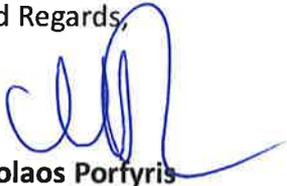

At the markets of CSE, 8 out of 21 CSE Members were connected.

RESULT

During the for the 6th Annual Business Continuity Plan General Mock Session, 1.880 orders were entered and 1.139 trades were realized.

The whole procedure was concluded without any problems and according to the specified timetable. As no issue was faced, or reported, from the side of the Market Participants, we conclude that the **6th Annual Business Continuity Plan General Mock Session of ATHEXGroup was successfully completed.**

Kind Regards,

Nikolaos Porfyris
Chief Business Development Officer
