RIGHT TO PARTICIPATE IN THE REPETITIVE ORDINARY GENERAL ASSEMBLY:

Any person appearing as shareholder in the Dematerialized Securities System files managed by “Hellenic Stock Exchanges S.A.” (former Central Securities Depository), where Company’s securities are being held, is entitled to participate at the Repetitive Ordinary General Assembly. Shareholding capacity is evidenced by presenting a relevant written certificate issued by the aforementioned entity, or by direct online connection of the Company with the said entity’s files. Shareholders capacity must be effective (Record Date of the Repetitive Ordinary General Assembly), notably at the beginning of the fourth (4th) day prior to the date of the Repetitive Ordinary General Assembly of 30.10.2018 and the relevant written or electronic certificate regarding the shareholding capacity must be received by Company no later than the third (3rd) day prior to the date of the Repetitive Ordinary General Assembly. Only persons in the

capacity of shareholder as at the Record Date are considered vis-à-vis the Company to be entitled to attend and vote at the Repetitive Ordinary General Assembly. Any shareholder failing to comply with the provisions of article 28a of codified law 2190/1920 may participate at the Repetitive Ordinary General Assembly only upon its permission. Exercise of these rights does not require blockage of the beneficiary's shares or compliance with any other procedure restricting the ability to sell and transfer them during the period between the Record Date and the date of the Repetitive Ordinary General Assembly.

PROCESS FOR EXERCISING VOTING RIGHTS BY PROXY:

A shareholder may attend the General Assembly and vote either in person or by proxy. Each shareholder may appoint up to three (3) proxies. Legal entities may participate at the General Assembly by appointing up to three (3) individuals as proxies. However, if a shareholder holds shares in a company, which appear in several securities accounts, said restriction will not prevent said shareholder from appointing different proxies in respect of the shares in each securities account in relation with the General Assembly. A proxy acting on behalf of several shareholders may vote differently for each shareholder. A shareholder proxy must disclose to the Company, before the General Assembly begins, any specific event which may be useful to the shareholders in assessing the risk of the proxy serving interests other than those of the shareholder. In the sense of this paragraph, a conflict of interest may especially arise when a proxy:

- a) is a shareholder controlling the Company or is another legal entity or an entity controlled by that shareholder;
- b) is a member of the board of directors or of the administration of the Company or shareholder controlling the Company in general, or another legal entity or an entity controlled by a shareholder who controls the Company;
- c) is an employee or auditor of the Company or shareholder controlling the Company, or of another legal entity or entity controlled by a shareholder who controls the Company;
- d) is spouse or first degree relative to one of the individuals referred to under (a) through (c) above.

The appointment and revocation of a shareholder proxy is made in writing and notified to the Company under the same form, at least three (3) days prior to the date scheduled for the General Assembly.

The Company has already made available at website (www.ffgroup.com) a form which may be used for the appointment of proxy. Said form must be submitted, duly completed and signed by the shareholder, to the Company's Shareholders Service at: Agios Stefanos, Attika, 23rd km of Athens-Lamia national road, or sent by facsimile at: 210- 6241100, at least three (3) days prior to the date of the General Assembly. Beneficiaries are responsible for confirming successful remittance and receipt of proxy documentation by the Company, by calling the following number: +30 210 6241141 (Mrs. Mantalena Kasidiaropoulou). The Company's Articles of Incorporation provides for the holding of a General Assembly by teleconference.

MINORITY RIGHTS OF SHAREHOLDERS:

(a) At the request of shareholders representing one twentieth (1/20) of the paid-up share capital, the board of directors must make available to the shareholders in accordance with the provisions of article 27 paragraph 3 of codified law 2190/1920, no later than at least six (6) days prior to the General Assembly, draft decisions on items included in the original or revised agenda, if the relevant request is received by the board of directors until at least seven (7) days prior to the General Assembly.

(b) Upon request of any shareholder submitted to the Company at least five (5) full days prior to the General Assembly, the board of directors must provide to the General Assembly the requested information on the Company's affairs, to the extent they are useful for the actual consideration of the items on the agenda. The board of directors may refuse to provide such information for a substantial reason to be recorded in the minutes. The board of directors may provide a uniform reply to shareholders' requests having the same content. There is no obligation to provide information when such information is already published in the Company's website, especially in the form of questions and answers.

(c) At the request of shareholders representing one fifth (1/5) of the paid-up share capital, which should be submitted to the Company at least five (5) full days prior to

the General Assembly, the board of directors shall supply to the General Assembly information regarding the progress of the Company's corporate affairs and financial condition. The board of directors may refuse to furnish the requested information for a substantial reason to be recorded in the minutes.

In all aforementioned cases, the requesting shareholders will be called to prove their shareholding capacity and the number of shares they hold at the time they exercise their respective rights. Submission of certificate from the entity where the respective securities are held, or confirmation of the shareholding capacity through direct online connection between entity and Company constitutes such evidence.

AVAILABLE DOCUMENTS AND INFORMATION:

The information referred to in article 27, paragraph 3 of codified law 2190/1920, including the notice to General Assembly, the form for the appointment of proxy and the draft decision on items of the agenda, as well as more detailed information regarding the exercise of the minority rights under article 39, paragraphs 2, 2a, 4 and 5 of codified law 2190/1920 will be available in electronic form at the Company's website www.ffgroup.com.
