Anyone who appears as a shareholder in the files of the Intangible Securities System managed by "Hellenic Exchanges SA" (HELEX), is entitled to participate in the Extraordinary General Meeting of **December 7th, 2020** in which the securities of the Company are kept. The proof of the shareholder status is done by presenting a relevant written certificate of the above body or, alternatively, by direct electronic connection of the Company with the files of the latter and in any case can be done by any legal means and based on information received by the company from the central securities depository, if it provides registry services or through the participating and registered intermediaries in the central securities depository in any other case. The capacity of shareholder must exist at the beginning of December 2nd, 2020 (Registration Date), thus the fifth (5th) day before the day of the Extraordinary General Meeting. The above recording date is also valid in the case of postponement or repeated meeting, provided that the postponed or repeated meeting is not more than thirty (30) days from the recording date (no. 124 par. 6 law 4548 / 2018).

In case of non-compliance with the provisions of article 124 of Law 4548/2018, the said shareholder participates in the Extraordinary General Meeting only after a permission of the latter.

The exercise of the above-mentioned rights does not presuppose the commitment of the beneficiary's shares or the observance of another similar procedure, which limits the possibility of selling and transferring them during the period between the Registration Date and the Extraordinary General Meeting.

MINORITY INTERESTS OF SHAREHOLDERS

(a) – **art. 141, par. 2, of Law 4548/2018** - At the request of shareholders representing one twentieth (1/20) of the paid-up share capital, the Board of Directors of the Company is obliged to include additional subjects on the agenda of the General Meeting, should the relevant request reach the Board of Directors until November 22nd, 2020, thus at least fifteen (15) days before the General Meeting. The request for inclusion of additional subjects on the agenda shall be accompanied by a justification or by a draft decision to be approved at the General Assembly and the revised agenda is published in the same way as the previous agenda, on November 24th, 2020, thus thirteen (13) days before the General Meeting and at the same time is notified to the shareholders via the Company's website, together with the justification or the draft decision submitted by the shareholders as provided in paragraph 4 of article 123 of law 4548/2018.

(c) – **art. 141, par. 5, of Law 4548/2018** - At the request of a shareholder or shareholders representing one twentieth (1/20) of the paid-up capital, the chairman of the meeting is obliged to postpone the decision of the general meeting only once, regular or extraordinary, on all or certain issues, setting a continuation day of the meeting, the one specified in the shareholders' application, which, however, may not be more than twenty (20) days away from the date of the postponement. The postponed general meeting is a continuation of the previous one and there is no need to repeat the formalities of publishing the shareholders' invitation. New shareholders can also participate in this meeting, subject to the relevant participation formalities. The provisions of paragraph 6 of Article 124 shall apply to companies with shares listed on a regulated market.

(d) – **art. 141, par. 6, of Law 4548/2018** - At the request of any shareholder submitted to the Company until December 1st, 2020, thus at least five (5) entire days before the General Meeting, the Board of Directors is obliged to provide the General Meeting with requested specific information on the Company's affairs, in so far as they are relevant to the items on the agenda. The board of directors may refuse to provide the information for a substantial reason, which is recorded in the minutes. The board of directors can respond uniformly to shareholder requests with the same content. There is no obligation to provide information when the relevant information is already available on the Company's website, in particular in the form of questions and answers. In all the above cases the board of directors may refuse to provide the information for a substantial reason, which is recorded in the minutes.

The board of directors may refuse to provide the information for a substantial reason, which is recorded in the minutes.

Corresponding deadlines for any exercise of minority interests of the shareholders apply in case of an iterative General Meeting.

In all the cases mentioned above, the applicant shareholders must prove their shareholder status and, except in the case of paragraph 6 of no. **141 Law 4548/2018**, the number of shares held during the exercise of the relevant right. Such proof is the certification of the shareholder status by direct electronic connection of the file of the institution and the Company.

PROCEDURE FOR VOTING THROUGH A REPRESENTATIVE

The shareholder participates in the General Meeting and votes either in person or through representatives. Each shareholder (legal or natural person) can participate in the General Meeting by appointing up to three (3) natural persons as its representatives. However, if the shareholder holds shares of the Company, which appear in more than one securities account, this restriction does not prevent the shareholder from appointing different representatives for the shares appearing in each securities account in relation to the General Meeting. A representative acting for more than one shareholder may vote differently for each shareholder.

Specifically for the participation of the shareholder through a representative in the General Meeting of December 7th, 2020 from a distance in real time via video conference, or for the participation of the shareholder through a representative in the voting on the General Meeting to be held before the General Meeting, the shareholder or its depositary may appoint up to one (1) representative, whose appointment is required to be made at least forty eight (48)

hours before the date of the meeting of the General Meeting (thus no later than 11:00 of 05.12.2020).

For any Repeat General Meeting of 14.12.2020, shareholders who had not appointed a representative at the initial General Meeting or shareholders wishing to replace the representative they had appointed, to participate remotely in the voting to be held before the General Meeting, may appoint up to one (1) representative, whose appointment must be made at least forty eight (48) hours before the date of the meeting of the General Meeting (thus no later than 11:00 on 12.12.2020).

The appointment and revocation of a representative for participation in the General Meeting is made in writing and notified to the Company by depositing the document at the offices of the Company (Omirou Street 2 corner with Teo Street, Tavros, Attica) or by post. In the absence of a relevant statutory provision, the Company does not accept electronic notifications of appointment and withdrawal of representatives.

The shareholder representative is obliged to notify the Company, before the beginning of the General Meeting, of any specific event that may be useful to the shareholders in assessing the risk that the agent will serve interests other than the interests of the shareholder. For the purposes of this paragraph, a conflict of interest may arise in particular where the agent:

- a) is a shareholder who exercises control of the Company or is another legal entity or entity controlled by that shareholder;
- b) is a member of the board of directors or the general management of the Company or a shareholder who exercises control of the Company, or of another legal entity or entity controlled by a shareholder who exercises control of the Company;
- c) is an employee or certified auditor of the Company or shareholder who exercises control of the Company, or another legal entity or entity controlled by a shareholder, who exercises control of the Company;
- (d) is a spouse or first-degree relative of one of the natural persons referred to in cases (a) to (c).

The appointment and revocation of the shareholder's representative is made in writing and notified to the Company with the same types, at least forty eight (48) hours before the General Meeting.

The Company has made available: a) in printed form at the company's headquarters (address: Omirou street 2 corner with Teo street, Tavros Attica, 17778, tel.: 210.4821186) and b) in electronic form on its website (www.klmate.gr), the form it uses to appoint and remove a representative. This form is submitted filled-in and signed by the shareholder at the registered office of the Company at the address: Omirou street 2, corner with Teo street, Tavros Attica, 17778, at least forty eight (48) hours before the General Meeting.
