COMPANY PROFILE

CRETE PLASTICS S.A. was established in 1970. It is the largest Greek plastics manufacturer and one of the leading European producers of agricultural films and master batches. It has a strong international orientation with affiliate companies in France, Romania, Poland, Russia, Turkey and China and exports to more than 50 countries around the world. It has been listed in the Athens Stock Exchange since May 1999. The company specializes in the production of:

- KRITIFIL® 3-layer plastic films for agricultural applications
- KRITILEN® master batches (raw materials for the plastics industry)
- KRITIFLEX® geo-membranes
- KRITISOL® polyethylene pipes
- KRITISAN® recycled plastics

It is serving with its products the horticultural & agricultural markets, the plastics industry and projects related to water-management & environment protection.

The company also owns and operates a 12 MW Wind Park in Crete as well as 4 Photovoltaic units, producing electricity that secures for the company the most competitive and environment friendly source of energy.

EXPORTS

The company's exports accounted in 2011 to 64% of its turnover (79% for group turnover). They are distributed to over 60 countries around the world.

KEY INVESTMENT HIGHLIGHTS

- One of the world leaders in plastic films for agriculture. Among the 8 largest master batch producers in Europe.
- International presence with exports to more than sixty (60) countries around the world.
- 2 production facilities in Greece and 7 production facilities in developing markets (China, Poland, Turkey-2, Romania, Russia, France).
- Leading market position in Greece for its core products (agricultural films, master batches, and geo-membranes).
- Geographical and product diversification.
- Emphasis on R&D for new products. Flexible production system for fast response to customer needs.
- Self-sufficient in energy with renewable energy sources (Aeolian & photovoltaic).
- Care for the environment (plastic scrap collection-recycling, green energy, products for environment protection).
- Very strong financial structure.
- Experienced management team lead by the company's main shareholders.
