FORTHCOMING PROJECTS/ INVESTMENTS – BUSINESS PLAN HIGHLIGHTS

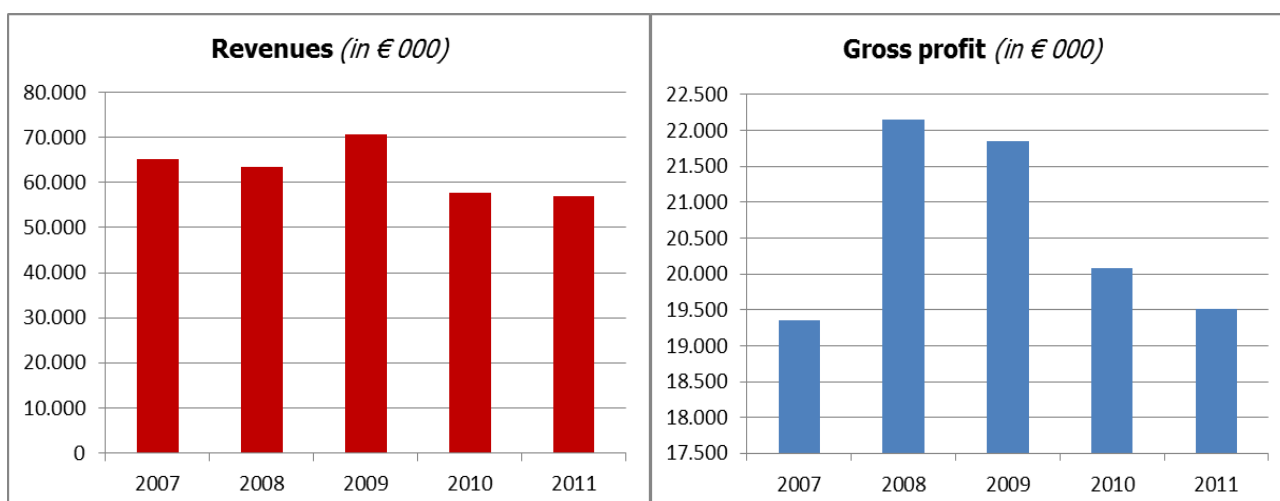

The company being for the 3rd year in the field of the local search is aiming at further extending its development of the WEB offering to the Small and Medium Enterprises in Greece. More precisely the company is investing in developing its Digital Marketing Services offering the SME market and also increase the sales force that would allow further market penetration. Currently, no extra capital is required as operations and growth are self-financed.

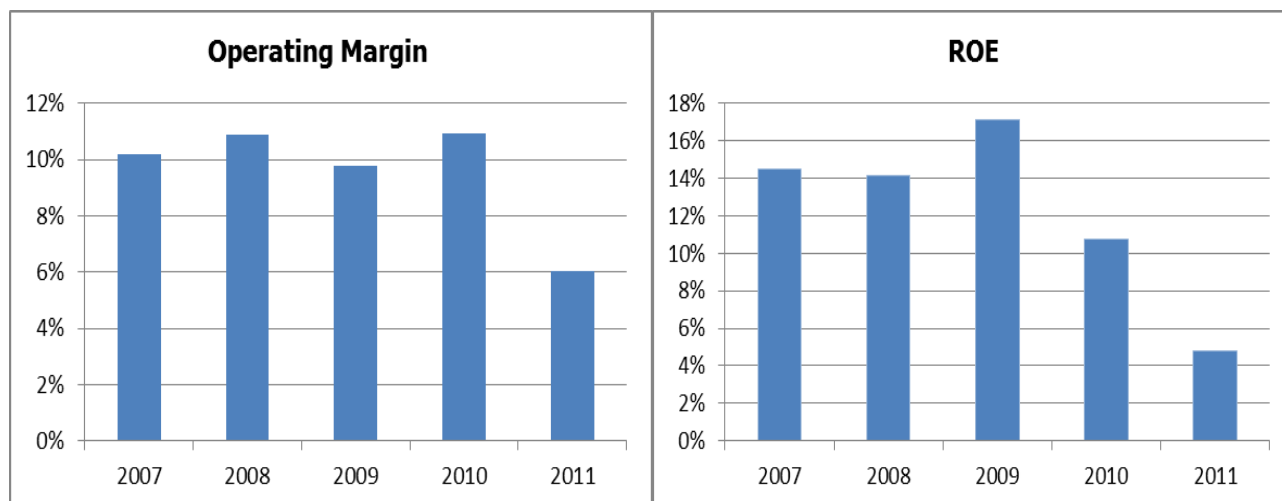

RECENT DEALS

In the e-government business unit, the company group was recently granted contract to operate 2 own branded services in the field of doctor appointment bookings. The members of social security organization can call these numbers in order to set up an appointment with a doctor in the public primary care clinics. The development allows the company to position itself well in the field of health booking services in Greece.
