## COMPANY PROFILE

Iktinos Hellas which is listed in ASE since 2000, was founded in 1974 by the Architect Mr. Evaggelos Chaidas whose main activity is extracting marble blocks, cutting, processing, and applications in architecture and sculpture, mostly for the exports. Iktinos Hellas excavates from four quarries in northern Greece, processes and exports the famous and highest quality marbles, Thassos, Volakas, Nestos and the unique marble "Golden Spider" from Mountain Pangeo, which has been registered as a brand name. Iktinos Hellas has offices in Athens and Drama, two cutting and processing factories in Athens, warehouses and showrooms and complete sales network. The turnover for 2012 amounted to € 24.4 million, the exports amounted to € 20.7 million and increased from 29% of turnover in 2006 to 85% in 2012.

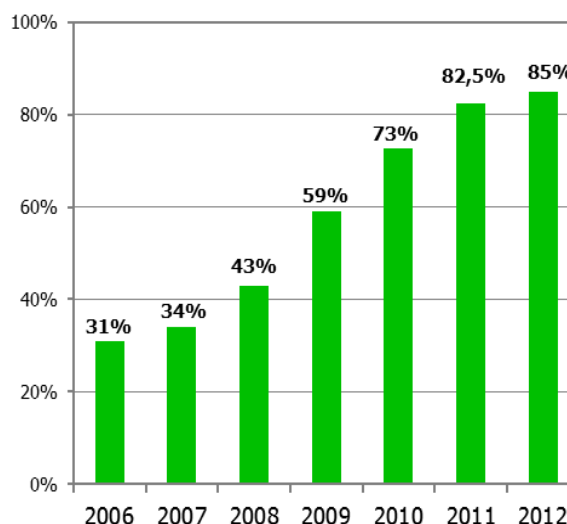

Iktinos Hellas has the following subsidiaries companies:

1. In The Marble Sector, is activated via the subsidiary company Feidias Hellas SA (90%).
2. In the Wind Energy Sector is activated via the subsidiary company IDEH S.A. (100%). IDEH S.A. has constructed and operates a wind farm of 19,8MW and has already under construction another one of 8MW. Also, it has set up four other companies in order to operate respectively the wind farms. These wind farms are in the process of licensing. The total capacity of the new wind farms are 61,8MW.
3. In the Real Estate Sector, is activated via the company Latirus Enterprises Ltd (20,34%). It is a tourist and residential development of 2.800 acres in coastal area of Faneromenis Bay in Crete, comprising of a hotel, a spa, a conference center, a golf course, a leisure craft marina and two residential areas.
4. Finally in the Agricultural Sector, is activated since 2012, in trading and exporting Greek agricultural products of high quality, with emphasis on the marketing of olive oil and wines.
