Subject: Results of the General Mock Session of ATHEXGroup's Business Continuity Plan (BCP)

Dear Partners,

We would like to thank you for your response and your participation in the General Mock Session for the **3rd Annual Business Continuity Plan of ATHEXGroup, held on Saturday 25/06/2016**, significant part of which was to establish a connection to an alternate access point.

All three Exchanges that are part of the Common Platform participated in the Mock Session, with their market participants testing their connections to the Alternative Access Point following a set of scenarios.

Specifically, for the individual exchanges, we report the following:

1. ATHEX - ATHEXCLEAR

In the markets of ATHEX, 12 out of 54 Members participated.

The participation in the post-trading procedures was also significant with 20 Dematerialized Securities System (DSS) Operators out of 61.

2. CYPRUS STOCK EXCHANGE (CSE)

In the markets of CSE, 2 out of 22 Members participated.

3. SIBIU STOCK EXCHANGE (SIBEX)

In the markets of SIBEX, 2 out of 9 Members participated.

4. CONCLUSION

During the General Mock Session for the 3rd Annual Business Continuity Plan of ATHEXGroup, 8,318 orders were entered and 6,638 trades were executed.

The whole procedure was concluded without any problems and according to the specified timetable. As no issue was faced and / or reported from the side of the Market Participants, we conclude that the **test implementation of the Business Continuity Plan of ATHEXGroup was successfully completed.**

Kind Regards,

Andreas Daskalakis
