COMPANY PROFILE

CRETE PLASTICS S.A. was established in 1970. It is the largest Greek plastics manufacturer and one of the leading European producers of agricultural films and masterbatches. It has a strong international orientation with affiliate companies in France, Romania, Poland, Russia, Turkey and China and exports to more than 60 countries around the world. It has been listed in the Athens Stock Exchange since May 1999. The company specializes in the production of:

- KRITIFIL® 3-layer plastic films for agricultural applications
- KRITILEN® masterbatches (raw materials for the plastics industry)
- KRITIFLEX® geomembranes
- KRITISOL® polyethylene pipes
- KRITISAN® recycled plastics

It is serving with its products the horticultural & agricultural markets, the plastics industry and projects related to water-management & environmental protection.

The company also owns and operates a 12 MW Wind Park in Crete as well as 4 Photovoltaic units, producing electricity that secures for the company the most competitive and environment friendly source of energy.

EXPORTS

The company's exports from Greece accounted in 2014 to 65% of the group turnover.
