

# DATA FEED SUBSCRIBERS

ATHEX DATA FEED SUBSCRIBERS ARE DISTINGUISHED INTO:

## PURPOSE

- The Athens Stock Exchange Real Time Information of Pre-Trade & Post-Trade Transparency in ATHEX & CSE Markets is provided to the Retail Investors at **low cost**
- The criteria by which the individual designated as "**Non-Professional Subscriber**" are identical to those of European Exchanges

## NON PROFESSIONAL SUBSCRIBERS

- **Any individual**, who subscribes for a Subscriber Agreement in his/her personal capacity **for his/her own personal investment activities**, and **not as an executive/senior officer, partner, employee or agent neither of any financial institution nor on behalf of any other individual**
- The Subscriber, qualifying as a Non-professional one, **shall not have any activities in Greece or abroad in the domain of banking, investment or financing and who is thus not submitted to the rules of any authority supervising financial instruments regulations**
- The use of the Information by a Non Professional Subscriber is **only for the management of his/her own personal property** and **may in no circumstances be extended to management of the property of third parties with or without a remunerative nature for the Subscriber.**

**Note:** "Professional Subscriber" is any individual subscriber who does not fall in the definition of the Non Professional Subscriber.

# DATA FEED SUBSCRIBERS

The **Non Professional Subscribers** are entitled to receive the following information **by paying minimal exchange fees**:
