COMPANY PROFILE

Mathios Refractory SA is a Greece-based company engaged in the production, processing and marketing of refractory, construction and related materials and the execution of construction contractors, subcontractors and industrial projects. The Company produces such products as shaped refractory products, like fire bricks, clinker bricks and decorative building components; refractory aggregates, mortars and insulation materials; furnace lining elements; ceramics, such as pots, tiles and roof tiles, as well as artificial stone veneers. It has established four subsidiaries: Bau Market SA, engaged in the construction, repairs, and maintenance or remodeling of houses and buildings; IDEAL Mathios Refractories active in the production and trade of various refractory materials; Mathios GmbH, which distributes Mathios products in Germany, and Mathios AD in Bulgaria, which is mainly engaged in the production and trade of artificial stone veneers.

REVENUE ANALYSIS (in € 000)

The company exports decorative stone veneers, refractory materials, fire bricks and adhesive materials in 47 countries, in three continents with main export destination India, Nigeria, Arab countries, Europe. Export sales account for 47.52% of the total activities.

KEY INVESTMENT HIGHLIGHTS

- ✓ Due to the current financial situation further development and investment is expected to be limited for the near future.
- ✓ Working on expanding our activities to new markets in West Africa and Australasia
- ✓ Very High quality of stone refractory products, delivery systems and processes.
