COMPANY PROFILE

Nafpaktos Textile Industry SA is a Greece-based industrial and commercial enterprise. For the last 3 years the Company's activities are related to two different sectors through its subsidiaries companies. SOFADES GINNING MILLS S.A. is located in Thessalia and is acting in the field of agriculture to include the ginning and export of raw cotton, cotton seed trading and trading other agricultural products. In addition, "ENERGY PINEIAS 2 S.A." is producing and supplying electrical power to the grid through a solar park of 1.3 MWp established in the south part of Greece.

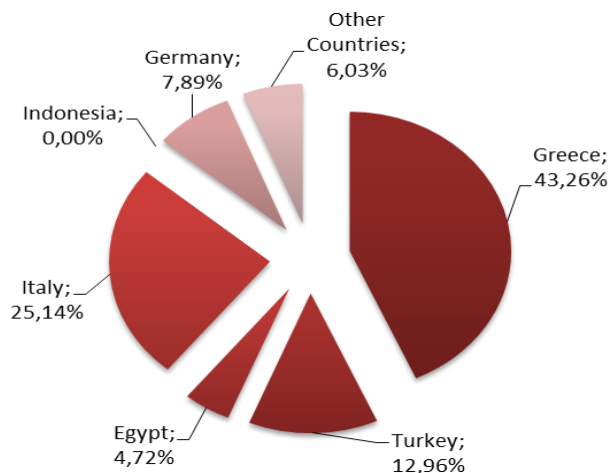

Mother company's production units include one spinning mill of 13.000 spindles, with an annual production capacity of 2.000 tons of cotton yarns, as well as one weaving mill with an annual production capacity of 1.0 million meters of fabric. The production facilities occupy an area of 20,590 square meters on privately owned land, plus storage facilities of 2,527 square meters in area.

In the beginning of 2014 the spinning mill is operating again, after 3 years of suspension. Market conditions have improved and a positive EBITDA is expected with a turnover of 4 ml. Euros.
