THE BOARD OF DIRECTORS

OF HELLENIC CENTRAL SECURITIES DEPOSITORY S.A. (ATHEXCSD)

(Meeting 311/22-02-2021)

Having regard to:

- a) the provisions of paragraph 1.8 of Section II and paragraphs 1.1, 1.2 and 1.3 of Section XII of the Hellenic Central Securities Depository Rulebook (hereinafter the "Rulebook"), and
- b) the need to determine matters relating to the payment of subscriptions and all kinds of fees for the use of ATHEXCSD Services

HEREBY RESOLVES AS FOLLOWS

Article 1. Purpose & scope

1. The purpose of this resolution is to describe the fees for services provided to Participants, Issuers and Fund Managers, Central Securities Depositories, Market Infrastructure Operators, Beneficiaries, Registered Intermediaries and other clients of ATHEXCSD.
2. The relevant fees are set out in detail in the Annex hereto.

Article 2. General terms

1. Accounting documents are issued upon receipt of the service. In the case of services received on an ongoing basis, charging and invoicing shall be carried out on a monthly or quarterly basis. Where fees in the Annex refer to annual fees, they shall be converted to monthly or quarterly charges by dividing the billing rate by the number of months (12 or 4 respectively).
2. Payment based on accounting documents shall be made within thirty calendar days, unless otherwise specified in the relevant charge.
3. All amounts owed to ATHEXCSD are immediately payable. In the event that, for any reason, settlement of an amount owed is delayed by more than 30 days from the date of invoice issue, ATHEXCSD shall have the right to terminate the provision of the service to the debtor.
4. The recording and facilitation of corporate actions on behalf of an issuer shall be carried out only if there are no overdue debts.
5. ATHEXCSD may decide to not impose a charge for individual fees whose invoicing does not exceed EUR 1.
6. For the settlement services provided by ATHEXCSD, the payment of fees shall be made on the day following the settlement date. Alternatively, and if a Participant submits a relevant request to ATHEXCSD in accordance with its procedures, payment of the fee can be made on the third business day of the following calendar month. Specifically in the case of charges to Market Infrastructure Operators that use the multilateral settlement services, the amount shall be paid in the first (1st) week of each subsequent calendar quarter.
7. Wherever in this Resolution the use of reference values is required for the calculation of fees in accordance with instances a) and b) below, the reference values used shall be those specified as follows:
 - a. For the valuation of the Securities Accounts balance or for the determination of the transaction value, with regard to:
 - i. Securities listed on Athens Stock Exchange or the Alternative Market: the closing prices of Athens Stock Exchange;
 - ii. Securities not listed on Athens Stock Exchange: the prices of those securities as provided by the Hellenic Exchanges Reference Data System (HERDS) of Athens Stock Exchange;
 - iii. Corporate Bonds or Greek Government Bonds: their nominal value.
 - b. For conversion to Euro: the Euro foreign exchange reference rates published on the relevant website of the European Central Bank (ECB) on the day of calculation of the relevant fee.
8. Any additional and out-of-pocket expenses borne by ATHEXCSD for the provision of services through its Providers, such as ADR charges, fees/taxes, re-registration fees, stock certificate splits, proxy voting, tax reclaims, participation in a share capital increase, ESES Floor Gap Fee, fines

imposed due to the Participant's fault, shall be invoiced to the Participant, increased by 10%, by no later than the calendar month following the corresponding charging by the Provider.¹

9. The Securities Accounts of the Participant Consignment Deposits and Loans Fund (CDLF) and of the special Participant ATHEXCSD - Forced Sales are exempt from the Fee Schedule for ATHEXCSD services. In this case, during the process of transferring Securities from the CDLF Participant Securities Account to a Client Securities Account or a Clients Securities Account of the beneficiary, the holding cost is calculated and invoiced as accumulated for the period the Securities remained in the CDLF Participant Securities Account and in accordance with the applicable invoicing policy and paid by the Securities beneficiary. ATHEXCSD may offset any due debts of a beneficiary that holds Securities in a Securities Account of the CDLF Special Participant or the special Participant ATHEXCSD - Forced Sales from fees that have not been paid, against cash distributions or payments that arise in favor of the beneficiary.

Article 3. Entry into force

1. This resolution shall be publicly disclosed on the website www.athexgroup.gr and shall become effective as of its publication, i.e. as of 12.04.2021.
2. The public disclosure hereof is subject to the formalities of subparagraph 5, paragraph 1.1, of subparagraph 4, paragraph 1.2 and of subparagraph 2, paragraph 1.3 of Section XII of the Rulebook.
3. The competent departments of ATHEXCSD shall make the necessary entries herein with regard to technical matters concerning the provision of code numbers for the invoicing of services, the periodicity of payment collection and the imposition or not of VAT. The updating hereof on the basis of the above, as codified from time to time by the competent departments of ATHEXCSD, shall be subject to public disclosure by the posting of each codified version of the Rulebook.

¹ Paragraph 8 of article 2 was amended as above by virtue of decision no. 331/30.05.2022 of the Board of Directors with effect as of 01.08.2022.
