COMPANY PROFILE

PROFILE Software (www.profilesw.com) is an international, award-winning company in the field of financial and business software development and integration. Founded in 1990, PROFILE is based and listed in Athens Stock Exchange, Greece and has enjoyed significant growth in the past 26 years, resulting to international market recognition and evaluation by industry experts. Through a specialized own product and service offering complemented by well-established international products, PROFILE is further accelerating its presence to international markets in order to increase the current 46/54 revenue split between domestic/international to 35/65 in the coming years. The firm is generating revenue through:

- (a) sale of software licenses and respective maintenance contracts
- (b) provision of Software as a Service (SaaS) as part of Cloud deployments and
- (c) professional services pertaining to both (a) and (b) above, primarily in the financial software industry and secondarily in business software and integration projects

PROFILE's product offering mainly consists of the following three state-of-the-art flagship products

- **IMSplus 2.2**, an award-winning investment management suite including solutions for advanced Private Wealth Management, Asset and Funds Management, Insurance Investment Management, Personal Banking, Family Offices and Custody
- **FMS.next**, a specialized Universal Banking system including Private Banking, Financing, Leasing Peer-to-Peer Lending/Crowdfunding and Islamic Banking
- **Mobius Wealth**, a vendor independent, white-label wealth management mobile application that links to any 3rd party platform presenting the data on an intuitive presentation layer for smartphones and tablets.
- **Axia** – the newly developed cloud-based solution to manage all aspects of the Investment Management firms over any channel or location

These innovative products constitute the company's core business and represent the biggest part of its revenue. In addition in the company's product portfolio there is a mobile market view / data feed system (**Plexus**) and an ordering application (**GS Market/GS Trader**), a shareholder management application for listed companies (**Registry**), as well as a full range ticketing solution (**UTS TicketLink**). All solutions are based on the highest technology standards such as web and mobile applications (**PROFILE Mobility platform**) while utilising **cloud technologies**.

The company's clientele consists of virtually all Banks operating in the local market, Banks in key international markets, as well as Investment Management firms and other corporates locally and abroad. In total, PROFILE is servicing over 200+ corporate clients throughout 18 countries across 3 continents (Albania, Bulgaria, Bahrain, Cyprus, Greece, Guernsey, Jersey, Luxembourg, Poland, Romania, Russia, Serbia, Sudan, Switzerland, Turkey, UAE, Ukraine, United Kingdom) via offices in Geneva, Dubai, London, Singapore, Athens and Nicosia, as well as via an increasing network of partners.
