"The German Army insists GREEK:

New euro 5 million awards contracts »

Three new contracts summing EUR 5 million were signed by the company DROMEAS with the German Army after relevant tenders.

Contracts concern different types of furniture, special cabinets, drawers, cabinets, etc. Production will start in early 2020 and deliveries will be completed in the first quarter of 2020.

These are special furniture that fully complies with EU standards which are wholly produced by the company DROMEAS at its facilities in IND Serres.

The constant and continuous cooperation with the German Army confirms and strengthens DROMEAS' position in European markets and rewards the reliability, quality and competitiveness of Greek production.
