

## Incident at facility in Romania

**Athens, Greece, 7 June 2021** – Frigoglass announces that there has been a fire incident at its commercial refrigeration manufacturing facility in Timisoara, Timis County of Romania on Saturday, June 5. The fire has caused severe damage primarily to the plant's production area. A dedicated task force has been already formed with the responsibility to assess the damage to our facility. The production process in the plant has been ceased and we have initiated contingency plans to cover our customers' demand from our global manufacturing base.

All employees and emergency services who attended the scene are well and we confirm that there has been no casualties during the incident.

Frigoglass maintains insurance policies, with first class Global Insurance companies, both for Property Damage and Business Interruption.

We remain in close contact with our customers to provide them with regular updates and we focus on limiting the business impact of the incident.

### **Frigoglass**

Frigoglass is a strategic partner to beverage brands throughout the world. We are one of the global leaders in the Ice Cold Merchandisers (ICM) market and the principal supplier of glass packaging in the high growth markets of West Africa.

Frigoglass has long-standing relationships with blue chip customers in the soft drinks and beverage industries. Our bespoke Ice Cold Merchandisers (beverage coolers) enhance our customers' beverage branding and facilitate immediate beverage consumption. At the same time, our leading innovations in the field of green refrigeration enable our customers to meet their sustainability and carbon emissions reduction targets.

With its footprint, Frigoglass is well established in the more mature European markets while it is evolving and establishing its position in emerging markets. We support our customers through manufacturing facilities in five countries and an extensive network of sales and after-sales representatives.

In our glass bottle business, we are focused on Africa, which is a prime region of investment for our customers. We aim to create value for our customers by building on our position as a leading supplier of glass bottles and complementary packaging solutions in West Africa.
