SASOL awards to Corinth Pipeworks the contract for 76 km of gas pipeline in Mozambique

Cenergy Holdings announces that SASOL, an integrated energy and chemical company in South Africa, awarded a contract to supply 76 km of steel pipes for a gas pipeline in Mozambique to Corinth Pipeworks, Cenergy Holdings' steel pipe segment, and its local partner, Project Materials Moçambique SA.

The agreement covers approximately 76 km of 8'' - 16'' High Frequency Welded (HFW) linepipe with external 3-layer polyethylene coating. The HFW pipes will be manufactured and coated at Corinth Pipeworks' facility in Greece and delivered to Mozambique within 2022.

This award is another significant milestone in Corinth Pipeworks' growing global presence, as end users are increasingly recognizing the benefits of utilizing its latest welded pipe technology in critical applications.

About SASOL

SASOL is a global chemicals and energy public company listed on the Johannesburg Stock Exchange in South Africa and the New York Stock Exchange in the USA. The Company integrates sophisticated technologies and processes into world-scale operating facilities. Furthermore, SASOL safely and sustainably sources, produces and markets a range of high-quality products in 23 countries, creating value for stakeholders.
