AGENDA ITEMS:

“Increase of the Company’s share capital by payment of cash up to the amount of € 25,641,025.80 and with a right of preference in favor of the existing shareholders, in accordance with the relevant provisions of Law 4548/2018 and the Company’s Articles of Association. Amendment of Article 5 (“Share Capital”) of the Company’s Articles of Association. Provision of authorizations to the Board of Directors of the Company for the implementation of the decision.”

I. Reconvened General Meeting

In the event that no quorum, as provided for by Law and the Company Articles of Association, is attained for the decision-making on all or some of the aforementioned agenda items, Company Shareholders are invited to attend a Reconvened General Meeting, to take place on **Monday the 21st of November 2022, at 11:00 am** hours, at the same place, without further notice. The only item on the Agenda of the reconvened General Meeting will be the same as above.

II. Participation and voting rights at the General Meeting

All Company Shareholders are entitled to participate in the General Meeting and vote, either in person or by proxy, as provided for in Law no. 4548/2018. Each share entitles to one vote.

Only the shareholder recorded with the Dematerialized Security System (DSS), managed by “Hellenic Central Securities Depository “(ATHEXCSD), which provides registry services under the meaning of par. 6 of article 124 of L. 4548.2018, may participate in and vote at the General Meeting. Shareholder’s capacity may be proven by any legal means and based on the notification received by the Company from the Central Securities Depository, when it provides recording services, or, in any other case, through the participating and registered intermediaries to the Central Securities Depository.

Shareholder’s capacity must be in force at the beginning of **9th of November 2022 (Record Date)**, i.e. on the fifth (5th) day before the General Meeting on **14th of November 2022**; only the persons being shareholders on that date are eligible to participate in and vote at the General Meeting.

The Record Date applies also in the event of a postponement or reconvention of the General Meeting, provided that the adjourned or reconvened session is not more than thirty (30) days from the Record Date. If this is not applicable, then anyone that has the shareholder’s capacity at the beginning of the third (3rd) day prior to the date of by postponement or reconvention of the General Meeting (article 124 par. 6 of Law 4548/2018) is entitled to participate and vote.

The company may justify a shareholder’s capacity on the Record Date by directly accessing the Dematerialized Security System files. The exercise of the participation and voting rights shall neither entail any shareholders’ share blocking, nor any other similar procedure, which restricts the entitlement to sell or/and transfer the shares in the in-between period from the Record Date to the General Meeting date.

Shareholders who fail to comply with the deadline of paragraph 4, article 128 of Law no. 4548/2018 may participate in the General Meeting, unless the General

Meeting declines their participation on a severe ground which justifies such decline.

III. Procedure for exercising voting rights by proxy

1. Shareholders are entitled to participate in the General Meeting and vote either in person or by proxy. A proxy appointed by a number of shareholders may vote differently for each shareholder.
2. Each shareholder may appoint a proxy for one or more General Meetings and for a definite period of time. The proxy shall vote according to the shareholder's instructions, if any, and shall be obliged to have such voting instructions on record for at least one (1) year after the General Meeting date. Proxy's failure to comply with the provided instructions shall not affect validity of the General Meeting resolutions, even if the proxy's vote was determining for attaining majority.
3. Before the General Meeting, a shareholder's proxy has to advise the Company on any specific fact which may be useful for assessing the risk that the proxy may serve interests different to the shareholder's interests. In view of the above, a conflict of interest may arise, especially, when the proxy:
 - a) is a shareholder controlling the Company or is any other legal person or entity controlled by such shareholder;
 - b) is a Director or manager of the Company or of a shareholder controlling the Company or any other legal person or entity controlled by a shareholder controlling the Company;
 - c) is an employee or auditor of the Company or of a shareholder controlling the Company or of other legal person or entity controlled by a shareholder controlling the Company;
 - d) is a spouse or 1st degree relative of any of the natural persons of points a) to c) above.
4. A proxy may be appointed or revoked in writing, by way of written notification to the Company, at least forty-eight (48) hours before the date set for the General Meeting. Each shareholder may appoint up to three (3) proxies. However, if the proxy is also a Company shareholder, with his/her shares being recorded in more than one securities account at the Dematerialized Security System, such limitation shall not prevent the shareholder from appointing different proxies for the shares recorded in each securities account, in relation to the General Meeting.

5. The Company provides the form for appointing a proxy which is at the disposal of the shareholders: a) in hard copy at the Company's headquarters (19th klm of Markopoulo-Paiania Avenue, 190 02 Paania Attica) b) in digital form at the Company's webpage (www.intrakat.gr). This form has to be filled in, signed and submitted by the shareholder to the Shareholders Department of the Company at: 19th klm of Markopoulo-Paiania Avenue, 19002, Paiania, Attica or to be faxed to: +30 210 667 4793, at least forty-eight (48) hours before the General Meeting date. The beneficiary has to confirm successful sending and receipt of the appointment form by the Company and this end they may call at +30 210 667 4646 (Shareholders Department).
6. Company's Articles of Association do not make any provision for shareholders' possibility to participate in the General Meeting by digital means, without physical attendance at the place of the meeting. The above does not limit the right of the shareholder according to Article 125, paragraph 3 of Law 4548/2018, as long as the conditions of this provision are met for him.

IV. Final dates for exercising the Rights of Minority Shareholders under paragraphs 2, 3, 6 and 7 of article 141, of Law no. 4548/2018.

1. Shareholders representing one twentieth (1/20) of the paid share capital of the Company:
 - a) are entitled to request the addition of further items to the General Meeting agenda, by means of an application to be filed to the Board of Directors fifteen (15) days before the General Meeting, i.e. up to **30.10.2022**, which shall be accompanied by a justification or a decision draft for approval by the General Meeting. relation to Company affairs, to the extent that such information is related to the items of the agenda.
