### Announcement

The Company **Petros Petropoulos S.A.**, as a distributor in Greece of the company BYD EUROPE B.V., informs all interested parties about the following.

Following the issuance of decision under No. 346447/04-11-2022 of the General Directorate of Financial Services of the Ministry of Infrastructure and Transport, (Directorate of Procurement and Operations, Department of Tenders and Contracts) by which decision, BYD ELECTRIC BUS & TRUCK HUNGARY KFT is disqualified, from its participation at the tender procedure for the supply of 250, 12m simple electric urban vehicles, with a minimum autonomy of 180km, and their accessories, due to the inadmissibility of the tender file "Supporting documents - Technical Offer" and according to the information of the participating company in question, the latter, after the careful examination of the above-mentioned decision and the tender minute No. III/03-11-2022 of the Tender Committee under the reference number ESHDHS 140671,1, reserves the right to undertake all legal actions so as to defend its interests.
