

PRESS RELEASE

Acquisition of three land plots located at “Melissia”, Aspropyrgos, Attica

Trastor REIC (the "Company") announces the acquisition of three land plots with a total surface of 21,046 sq.m. located at "Melissia" area in Aspropyrgos, Attica. The land plots are adjacent to existing logistics properties of the Company.

The total consideration for the acquisition of all three plots amounted to €2,100,000.

Mr. Tasos Kazinos, CEO of the Company, made the following statement:

"This investment is aligned with the Company's investment strategy for the logistics sector, pioneering in the construction of certified warehouses as per sustainable development criteria, and completes a series of targeted investments aiming at the creation of one of the largest and most modern complexes of cold and dry storage use".
