PRESS RELEASE

Attica Bank: New executives join the management team

Attica Bank strengthens its management team in the context of the new organizational chart effective as of 1/1/2023, aiming both at the restructuring and growth of the Bank through the implementation of its new 3-year Business Plan.

In this context, Attica Bank announces that the position of the Chief Financial Officer will be assumed by Mrs Vasiliki (Valerie) Skoubas as of 16/01/2023, while Mr George Kouroumalos was appointed Chief Risk Officer from 02/01/2023.

Attica Bank would like to thank Mr Nikos Koutsogiannis, the CFO until today, and Mr Frangkiskos Psyllas, former CRO, for their services to the Bank. Mr Psyllas will continue to offer his services to Attica Bank as Management Consultant for the upcoming period.

Brief CVs of the new Executives of Attica Bank Management Team

Vasiliki Skoubas, Chief Financial Officer

Mrs Vasiliki (Valerie) Skoubas undertakes the position of Chief Financial Officer, with more than 30 years of international and domestic experience in the banking and finance sectors. She joined Attica Bank in April 2022 as a Management Consultant. From 2015 to 2021, she was appointed Chief Financial Officer at HSBC Greece. Furthermore, from 2018 to 2020, she was also Head of Supervision of 9 branches of HSBC France until 2021, while she was also Director of Mergers & Acquisitions at HSBC London in 2021. During 1989-2014 she worked at Citigroup Greece, where she undertook the role of Chief Financial Officer in 2009. She holds a BSc in Accounting from St. John's University in New York and a Diploma in Corporate Governance for NEDs from the Corporate Governance Institute.

George Kouroumalos, Chief Risk Officer

Mr George Kouroumalos, with 20 years of experience in the banking industry, undertakes the position of Chief Risk Officer, coming from Piraeus Bank, where he was Senior Director, Head of capital management and risk strategy. Within this role, he transformed the risk appetite framework for the group to cover the full spectrum of financial and non-financial risks and enabled capital allocation mechanisms that optimize risk-return relationships. In addition, he assessed and delivered major Risk Management projects, including infrastructure projects and supervisory exercises. He also delivered the Environmental, Social and Governance (ESG) roadmap for Piraeus Bank, focusing on climate-related and environmental risks. He holds a Master of Engineering in Electrical and Electronic Engineering from Imperial College London and an MBA from the National Technical University of Athens.
