Athens, May 25, 2023

### **Space Hellas: «Legrand Data Center Solutions Accredited Partner»**

Space Hellas is pleased to announce that it has been certified as «Legrand Data Center Solutions Accredited Partner», upon successful completion of the company's Data Center Academy training course and the required qualifications.

The recognition was awarded by Richard King, Legrand's Data Center Infrastructure manager, to Symeon Konstantinidis, Security Systems & Infrastructure Director of Space Hellas, during the visit of company executives to Legrand's facilities in London.

Legrand Data Center Solution offers specialized solutions, following all stages of planning and construction of a Data Center.

The Legrand Data Center solutions offered by Space Hellas are designed based on four important pillars, the efficiency, availability, scalability and security of its customers' Data Centers.

Space Hellas, with proven experience in the design and implementation of Data Center projects, can deliver and install the Legrand Data Center Solution product portfolio, ensuring a complete and modern "offering" to the end user.
