

Management Team Update
Appointment of new Chief People Officer

OPAP announces that Achillia Condou has been appointed as new Chief People Officer and member of our Top Management Team, as of May 2, 2023.

Achillia has a diverse professional background with a career of more than 20 years. She has held senior HR management roles, in companies like Unilever, Minerva and Sanofi Aventis, bringing in valuable experience, expertise and best practices related to the promotion and management of change, the development of high-performing teams and the evolution of our corporate cultures and values.

The company is welcoming Achillia to the OPAP team and wish her good luck and success in her new role.
