

Announcement

In respect of recent press reports, GEK TERNA S.A. and TERNA ENERGY S.A. inform the investment community on the following:

As has been repeatedly mentioned by the Management of both companies in the context of numerous official occasions, TERNA ENERGY S.A. has over time received interest from major international investors. Each time the expression of this interest is evaluated. For the time being there has not been any development to be announced.

As per the standard policy of the two companies, the investment community will be promptly informed of any developments.
