

Athens, 26.08.2024

Appointment of new Chief Insurance Business Officer

Attica Bank announces that Mrs. Marina Nikolaou joins the Attica Bank's management team and assumes the position of Chief Insurance Business Officer with effect from 26.08.2024 and reporting to the Chief Executive Officer. Mrs. Nikolaou is also joining as a member the Bank's Executive Committee.

Following the appointment of Mrs. Nikolaou, Attica Bank builds up Bancassurance and insurance services into a separate pillar and key revenue center, fully interwoven with the strategy and implementation of the new Bank's business plan. The aim is to further expand synergies with the Wealth Management pillar that have already been developed by Pancreta Bank, following the approval of the merger.

Brief CV of the new Executive of Attica Bank

Marina Nikolaou, Chief Insurance Business Officer

Mrs. Marina Nikolaou has an extensive experience and deep knowledge of the domestic and international insurance market, having held positions of increased responsibility in the banking and insurance industry. From 2013 until recently, she held the position of Managing Director of Piraeus Insurance Agency S.A., a subsidiary of the Piraeus Group. She has been working in the insurance sector for the last twenty-eight years, starting her career at ETVA in 1991 and then taking over in 2006 the Technical Directorate of Piraeus Insurance & Reinsurance Brokerage S.A. Mrs. Nikolaou has extensive knowledge and a successful track record in reorganizing and developing bank insurance operations.

She studied Economic Science at Piraeus University and is a graduate of the Department of Business and Organization Management of the Hellenic Open University.
