## **INTRALOT announces extension of contract with Nederlandse Loterij for its retail sportsbook**

August 26, 2024

INTRALOT S.A. announces that the three-year contract extension of its subsidiary in The Netherlands, INTRALOT BENELUX B.V., with Nederlandse Loterij Organisatie B.V. (NLO) to continue providing operations and management services for TOTO retail sportsbook has been activated. TOTO is the sports betting brand of NLO and is operated through a retail network of 4.000 POS. The contract extension is through June 2027.

As per the contract, INTRALOT provides its sports betting platform INTRALOT Orion, as well as trading and risk management services coupled with monitoring and performance services for the operation of TOTO games through INTRALOT's Photon terminals.
