

ANNOUNCEMENT

Settlement of a civil matter in Washington DC

January 14, 2025

"INTRALOT S.A. Integrated Lottery System and Services" announces that its US subsidiary "Intralot, Inc." signed on January 10, 2025, a settlement agreement with the District of Washington DC, by and through its Office of the Attorney General, to settle a civil matter. The issue related to the 2019 lottery games contract in that district and specifically to the percentage of works subcontracted to local businesses. The settlement provides for a US 5million payment while "Intralot, Inc." denies any admission of fault, so that a long term litigation and substantial legal expenses to be avoided. With the settlement agreed, the contracts and operations of the group are not affected.
