**SALE OF THE RO-PAX VESSEL KRITI II
FOR ENVIRONMENTALLY FRIENDLY RECYCLING**

Attica Holdings S.A. (the "Company") announces the sale of the Ro-Pax vessel KRITI II, owned by a subsidiary of the Company, for safe and environmentally sound recycling in compliance with the respective European and Greek legislation. The vessel was delivered to a ship recycling facility, which is included in the European List of Ship Recycling Facilities.

The transaction was concluded for a total consideration of USD 3.6 million, strengthening the Group's cash position, and generated a profit of EUR 0.2 million.
