

ATHEXGROUP's new online portal for issuers and companies to aggregate ESG Data

Choose the **ATHEX ESG Data Portal** to showcase your Company's ESG initiatives and your level of alignment with the **ATHEX ESG Reporting Guide**

With the ATHEX ESG Data Portal, you can:

Receive your overall ESG Transparency Score

Receive your thematic E, S and G Transparency Scores

View your Company Ranking among all companies who have reported, as well as companies in your sector

Identify areas for improvement based on data

Highlight your ESG performance to stakeholders who have access to the portal

Export a comprehensive report and use its results in corporate presentations
