

Announce your Company's financial results using the **IR Broadcasting service** of the ATHEXGroup.

The service is addressed at companies that wish to inform the domestic and international investment community, as well as financial analysts, of their results.

## With our IR Broadcasting service, you can:

Hold the event in a hybrid way, remotely, or in person at ATHEX premises

Use our interactive, intuitive and user-friendly platform

Enhance your company's outreach by accessing a broader audience

Strengthen your corporate image by displaying promotional material on the platform

Communicate effectively with the use of modern technological tools

Receive continuous support before and during the event by ATHEX's specialized staff
