Thessaloniki, February 19, 2025

ThPA S.A., Dimera Land & Property Investments Ltd, and the Hellenic Republic (the Ministry of Justice) have signed a sub-concession agreement for the hosting of the services of the Thessaloniki Court of Appeal in buildings within the Port. The agreement was signed on Tuesday, February 18, 2025, at the Court of Thessaloniki, in the presence of the Minister of Justice, Mr. Georgios Floridis and representatives of the contracting parties.

The agreement provides for the long-term sub-concession of the use of spaces with a total area of approximately 9,000 sq.m., located within the Port of Thessaloniki, opposite the Courthouse of Thessaloniki. The designated spaces will be suitably arranged for the agreed use and delivered within 18 months.

«The efficient utilization of spaces, buildings, and infrastructure of the Port of Thessaloniki is a key element of the non-core port activities of ThPA S.A. The development of these activities is one of the priorities of ThPA S.A., and the signing of the agreement for the housing of the services of the Thessaloniki Court of Appeal is a significant step in this direction,» stated the CEO of ThPA S.A., Dr. Ioannis Tsaras.
